

1. Every coupon holder has a right to obtain bonus in the amount stipulated in the coupon terms.
 2. Bonus received by a coupon holder can be accrued to either new trading account or the one that has been already funded with the 30% or 55% bonus.
 3. The Client confirms the fact of bonus obtainment for own needs, not for those of relatives or familiars.
 4. The bonus received by the coupon holder cannot be withdrawn from an account if the conditions specified in Clause 7 are not satisfied. However, the profits derived from the bonus can be withdrawn without any limitations provided that all the terms of the present Agreement are fulfilled.
 5. The Client agrees that in case of any funds withdrawal from his trading account, the bonus will be cancelled in full.
 6. The Company has a right to decline bonus crediting without assigning any reasons. The Company reserves the right to cancel bonus without a notice, for that reason it is strongly recommended not to include bonus in calculations of trading strategy profitability. The Company is not liable for any consequences of bonus cancellation, including the Stop Out, as the given bonus is the Company's entire property until it is worked out by opening the required number of lots specified in Clause 7 of the present Agreement.
 7. Coupon bonus can be withdrawn after a certain number of InstaForex lots are accumulated on a trading account (1 market lot = 10 InstaForex lots) equaling to $X*5$, where X is the bonus amount in dollars.
 8. One Client can get the coupon bonus only once.
 9. The Company reserves the right to amend or modify the campaign terms without prior notice.
 10. The official language of the Agreement is English. In case of variant readings of a translated version and the Agreement in English, the Agreement in English are considered as a prior reference standard.
